To the Supt. U.S. Mint.
Philadelphia

Dear Sir,

Will you please send me by registered mail a set of proof coins (Silver & base) for the present year. I enclose postal note for \$3¹⁷. If there have been any changes during the year in design will you please send both varieties and I will remit balance. Are any changes contemplated on pattern pieces struck off for sale? Was any medal struck commemorating the 60th Cent Centennial. and what is its value?

Very Respectfully
Yours Obedt Servt
